Dear Sir,

I enclose cheque (\$5.00)
Dues for current year.

Is there to be a general
Exhibition this year - and when?

Mr. Frank F. Stone,

Los Angeles, Cal.

Dear Sir:

Your letter of March 3rd to Mr. Charles Fryer, has been referred to me. We have no plans under way at present for any kind of an exhibition such as we held last March.

The exhibition of the work of Prince Paul Troubetzkoy of which you, no doubt, received a card, closed on the 12th, and we have no plans for any other special Exhibition at present, but, of course, we may possibly do something in that line in the fall but my opinion is that we will probably have nothing of the kind before next year.

Very truly yours,

Director.

Amer. Unitarian Society

New York City

Dear Sir,

It is not without reason
that my dues come tardily. The
fact is that some unfortunate
transactions in the last year or
two have placed me where - for
some time to come, my periodical
liabilities will exceed my income.

I enclose \$5⁰⁰ for the current
year; but I regret that conditions

Compel me to cut off every
expense in the nature of memberships
or subscriptions, and this must
therefore be my resignation.

With regrets,

I am, Dear Sir,

Yours very truly

Mr. Frank F. Fletcher,

Los Angeles, Cal.

Dear Sir:-

I have yours of December 18th enclosing draft for five dollars for dues for 1916. I note with regret your desire to withdraw from membership, and will present your letter to our Council at their next meeting. I trust however that this does not indicate your lack of interest in numismatics. Please remember that we will always be glad to be of service to you whether you are a member or not..

Yours very truly,

Treasurer.

Mr. Frank F. Stone,
719 Yale Street,
Los Angeles, Cal.

Dear Sir:-

I am instructed by the Council to call once more to your attention that you have been in arrears for dues for more than a year. The Council asks for a prompt statement of your attitude in this matter, so that they may act intelligently in your favor.

It may interest you to know that there are only three names on our delinquent list out of our entire membership, and we hope there will be none in a few days. Will you not help us in the matter? We need your support, both morally and financially. We are doing a large work on a small income, and our country can be proud of our high standing here and abroad. Last year was, by far, the greatest in our accomplishments, consequently we have added much to the value of our membership.

We would like to serve you through your continuing interest. May we hear from you soon.

Yours very respectfully,

Treasurer.

Dear Sir,

Acknowledging and
answering your favor of the
24th ult.:

I resigned from the
Society a year ago last Dec.,
as you will see by referring
to your letter-files. My letter
of resignation accompanied my
last payment of dues, made at-

that time. Therefore there are
no arrears of Dues against me.

My letter explained why I was
obliged to give up, and I
received a reply thereto, hoping
that I would still take an
interest ⁱⁿ Communism.

Unfortunately, the conditions
that caused my withdrawal
have not changed materially. I
can only wish the Society every
prosperity, and remain

Los Angeles, California.

Dear Sir:-

Thanks for your letter of February 4th. I regret very much my error in writing to you on January 24th. Through some omission in this office I had no record of your resignation. This I have now corrected, and we will not bother you any more. Please remember that we are always ready to render any service to you that comes within our powers, it makes no difference whether you are a member or not. Our sole object is to further the science of numismatics in this country, and we are meeting with every success and encouragement. Any communication from you will have our careful attention, and we hope we can be of service from time to time.

Yours very truly,

Treasurer.
